- WRIST BANDS REQUIRED

## The President's Message

To all Beach Club Members:

Your board and beach club manager have been busy this last month getting the beach club spruced up and overseeing many repairs to get ready for a busy summer.

- Shorecliffs entry sign replanted
- Painting inside and out of the beach club
- Replacement of all rusted hardware, termite control and wood repair
- Picnic tables repaired, rebuilt and painted
- Palm trees in the parking lot and by the beach club pruned
- Parking lot planter cleared out and mulched
- Plumbing improvements inside and out
- Bent paddle tennis poles replaced

Replacement of the chain link gates is scheduled and should happen soon. The area under the back deck has been cleared of debris and new access doors will be built.

I would like to thank all those that turned out for the beach clean-up and the Easter Event with a special thank you to Danielle Burmeister for organizing a spectacular Easter party. We continue to push the county to grade out Poche Pond. There are issues with the County maintaining the necessary grading permits but the Board continues to work on members' behalf to have the situation resolved. The weather has been wonderful and it's been great enjoying the club with neighbors and friends!

See you there this summer...
