Manager's Message

Shorecliffs Members and Friends,

Summer season is now in full swing. The clubhouse is open 7 days a week for members and their guests pleasure and enjoyment. The clubhouse staff is experienced and ready to make your summer a great one.

Once again, no glass at any time at the clubhouse. Staff has found glass in the children's playground and has been diligent in removing it. Our community has a rare and special gem called the Shorecliffs Beach Club and staff strives to maintain and preserve it.

If anyone has old beach or bath towels, bring them down to the beach club. Staff will reuse them for maintenance and cleaning activities.

Happy summer Shorecliffs!

Jay Elston
Shorecliffs Beach Club Manager

To All Beach Club Members:

President's Letter

Summer is here! Be sure to join us for Friday Night BBQ's - or if you can't make it on Friday, we'll see you on Saturday night instead. It's a great way to end the week, have something delicious on the BBQ, have an adult beverage (or two) and meet your neighbors at the beach as we enjoy beautiful sunsets all summer long.

Here is what's new:

Q: What is the status of the Shorecliffs monument sign project?

A: As this letter is being written, the new Shorecliffs monument sign is nearly complete, the sign now lights up at night-for the first time in history-and within a couple of weeks, there will be new plants installed at the base of the sign. There have been LOTS of positive comments about the new sign. We hope everyone likes the new look.

Q: What is the status of the catwalk repair?

A: Our engineer is attempting to set up a new series of meetings with the County Flood Control Agency now that the threat of El Nino has passed. We will keep you posted on our progress.

Q: It looks like staff at the Beach Club looks different this year. How come?

A: As most of you know, Jay is our new Beach Club Manager this year. Jay recommended slightly different attire for staff members this year. The Board liked the idea and the new apparel was purchased. Please make Jay feel welcome and treat all staff members with respect.

Be sure to read the rest of this newsletter for information of the 4th of July activities.

See you at the beach.
