Hello Shorecliffs friends and families.

What a privilege to be chosen as the new manager of your beach club. My name is Robin Roberts and I'm just as excited as you are to get spring break and summer 2018 under way. The board members, committees and myself are working to accommodate all members, all ages and make every day a 'great day' at your club. **Wristbands 2018** – Ready to pick up! Spring break would be a great time to do so. I'm looking forward to meeting you and your families and keeping your SBC traditions alive! **But, it takes a village...** known as Staff! I've staffed up for the summer! This *Awesome* group of kids also feel privileged and super excited to work at SBC. They have committed to work hard for you this summer and beyond. They have all been in training since January and involved in various projects and events around the facility. Expect an introduction from this eager staff. All are SCHS students except the Graff's! **Please welcome new staff members:** Luke Sutherland, Kainoa Oshiro, Caden Evans, Katie Chriss, Keoni Wagner and Alex Anawalt. Also, returning staff is assistant manager - Alexis Graff, Xavier Math, Makai Haynes, Alexis Morgan, Jason Graff and Luke Wade.

President's Message

2018 has brought several exciting changes to our club operations. I'd like to introduce our new Beach Club Manager, Robin Roberts. Robin has had many years of experience in managing a similar club with a staff, events planning and facilities maintenance. In the last three months, she has been working with the board to prepare our club for a great spring and summer! We are excited about her enthusiasm and her commitment to excellence. **We would like to thank our past board members,** Danny Werner, Don Sterner and Mike Smith for their devotion and contribution to the board. As a result of the recent election, we have several new board members that are longtime residents of Shorecliffs. We welcome Kumi Elston, Kurt Luebke, Chris Wade and Frank Wilbur. **We move into the new year with several renovation projects** needed to maintain the facility in top shape for the use and safety of homeowners. Our most challenging concern is the on-going problem of our beach erosion and we're working with the City of San Clemente to share ideas to address this issue. We have met with the County of Orange staff on several occasions to discuss Poche Pond and the flooding of the catwalk. The Corp of Engineers has obtained, after a delayed and lengthy process, the permit needed for the County to clear the high tide sand berm on a consistent basis and to clean sediment from the pond twice a year. We have several other major projects in the works including upgrading our website so that members can have easy access to information. I encourage you to access the website from time to time and to sign up for our email list by contacting Dorothy at dmelia6@cox.net. We're all looking forward to a fun-filled summer!
