Saturday 4-10:00pm

Summer hours will start
Saturday, June 20th

Manager's Message

Shorecliff's Members:

Here we are, with Memorial weekend just around the corner - where does the time go? I am excited about seeing everyone again and getting back into the swing of Beach Club BBQ's on Fridays and Saturdays. Starting with Friday, May 22nd, BBQ's will open at 4:00 p.m. and close at 10:00 p.m. through the end of October. During this coming Memorial weekend, the club will be open Saturday, Sunday & Monday at 11:00 a.m. Please remember to wear your wrist bands at all times while hanging out at the club. If you haven't picked up your bands, bring down the card and we will get them to you. We are only dispensing bands to each adult family member that lives in the home. There are temporary wrist bands for others. As always, please remember the no glass rule.

As you know, the Beach Club has turned into a very popular venue for parties and events. Please check out the website for information regarding the summer rental season. Also, the rental fees for the Beach Club are being increased by \$100 to include the fee for a staff member to oversee and clean up after events.

I am looking forward to seeing everyone at the beach – HAVE FUN!

Don Thorne,
Shorecliff's Beach Club Manager

New Club Rental Times & Rules

- All rentals will now require a Beach Club Staff Member
- Weddings will require two Staff Members
- Morning rentals end at 2:30
- Afternoon rentals start at 4:30

Please visit our website for more details

President's Message

To All Beach Club Members:

If it's "May Gray" and June Gloom", then Summer must be just around the corner. And that means, Friday Night BBQ's start on Friday, May 22nd. There is no better way to enjoy the end of the week, have something delicious on the BBQ, have a glass of your favorite beverage and meet your neighbors than to join us at the beach as we hope for a beautiful sunset every Friday night all summer long.

Here is what's new:

Q: What is the status of the catwalk project?

A: Our two engineers are working together to develop a proposal that will be acceptable to all of the County agencies. I remain hopeful.

Q: What is the status of the Shorecliffs monument sign update?

A: The City imposed their "lengthy" sign approval process on us rather than the shortened process that we had hoped for. As a result, the sign designer is drawing the necessary documents that the City is requiring so that they can be submitted for approval.

Q: What do we do if we see something that needs "attention"?

A: Since the Beach Club remodel, our facility has had a tremendous amount of additional use. And sometimes members will see something that needs attention before our staff notices it. So if you see an item that needs to be repaired or replaced, or something that just looks slightly out of place, please let Don, our Beach Club Manager so that it can be attended to promptly. Our goal is to maintain the Beach Club so that it will provide years of fun and enjoyment to everyone who lives in Shorecliffs.

Remember to check www.shorecliffsbeachclub.net for updates.

See you at the beach.

Tom Marier
President
